Christiansborg Castle in Copenhagen

Shot in Copenhagen, Denmark outside the castle of Christiansborg at the Marble Bridge. The season calls for cozy teddy coats and warm cover-ups. In Nov 23' we introduced Leona coat in short and long, inspired by BD20 icon Fiona signature coat.

Leona, our recent design from BD20 by Americandreams. Signature Fiona coat turned inside out. A fashionable demi-season coat with a loose silhouette, featuring a button closure, pockets, and wide lapels. In windy weather, it becomes much warmer and cozier with the collar turned up. The model is crafted from artificial leather and a very soft blend of 30% wool with faux fur inside, ensuring both warmth and effective air exchange.

BD20 was launched in 2020 as a sub-brand to Americandreams with the mission to design ready-to-wear outerwear and accessories using only fake fur and vegan leather of the highest quality at an accessible price. The brand is mainly recognized for the iconic teddy coat “Fiona” which has been designed as the perfect coat that is functional and fashionable at the same time.

BD20 is currently available in select stores throughout Europe and spotted on celebrities and influencers worldwide.
