

A woman with long blonde hair is sitting on a white wicker sofa. She is wearing a white, chunky knit sweater with a textured pattern and light blue denim jeans. She is also wearing yellow-tinted sunglasses and a small hoop earring. Her right hand is raised to her forehead, and her left hand is resting on her lap. The background is a plain, light-colored wall.

All new creations are inspired by South of Europe, the location of our recent campaigns, here below especially Cannes, Monaco, Marbella and Milan.

The soft colours such as seafoam green, almond and dark colours in soft tones here below grape, dark taupe are all new shades that have been added to The Pullover collection.

Our house of colourful knitwear is growing bigger with more colours of the rainbow than ever before.

All new creations of apparel dresses are designed to suit the woman at the beach, the woman at the grocery and the young woman at the university.

The new prints in the dresses of Americandreams Apparel collection are inspired by tropical but small flowers in warm colours.

All solid colours are made to match the flowers in the dresses and our knits, that are easy and suitable to pull-over the dress.
