Made with love in Italy our Silja pullover has been created in a special edition with letters on the back. "Love, hope and dream" are words that we believe in and a big part of our inspiration. Dream is having the courage to dream about anything in any size, a big or small dream, anything is possible.

Love Dream Hope

Hope is for times that can be tough and when we need to keep our head high, keep on believing and having hope in sight. Love is for all the love in the world, which comes in many different forms and in many different places. We hope to bring positive vibes to everyone who wears and sees our knitwear and to spread as much love as possible with our happy colours.
