Piazza de Eleonora Duse

In the garden district Piazza de Eleonora Duse, located in the heart of Italy, Milan our lookbook 06 was shot on a sunny day in July.

The piazza is mostly in soft-tones of beige, grey and black with a green floral garden nowhere but in the middle of the piazza.

After crossing the Corso in front of the natural history museum, you come to Piazza Duse. At no. 2 is an elegant 1930s house by Gigiotti Zanini.

Our new classic collection of pullovers and dresses in mainly pure italian cotton are made for all-year-round and to remain all-time-classics. The stripes are modern and minimalistic which make it easy to style over a dress or with a white shirt under for a classic look.
